- If you only want to renew your membership, or want to make separate processes start by the membership only process [HERE](#).

Student & ECR spotlights

Eloise Litterbach is a PhD Candidate at Deakin University's IPAN and is exploring mealtimes in families with young children. Meet Alexandra Descarpentrie, who is interested in children's lifestyle patterns and their relations to family contextual

factors, physical health and socio-emotional development.

Looking for a mentor?

The ISBNPA mentoring program brings together experienced and successful professional members with other ISBNPA members who are looking to develop their skills and career. Connect with an experienced mentor [here](#) today!

NESI blog

Read our [new blog](#) by Prof. Catherine M. Sabiston: Academic Networking – The art of schmoozing, showcasing, and supporting.
