## ISBNPA Strategic Plan

Last year we asked the ISBNPA community to comment and participate in developing our new Strategic Plan.

As a result, the Executive Committee is now working on operationalizing four strategic initiatives:

- **Climate Action**
- **Impact**
- **Inclusive Culture**
- **Growing the Next Generation**

You can find more details about the Strategic Plan in this infographic [[LINK](#)] or in the image below.

### Strategic Plan: Call for helpers

We **would appreciate your help** in supporting the operationalization of the initiatives.

As such, ISBNPA **is offering** the following to anyone from the ISBNPA community who wants to be part of the team involved in the implementation of the strategic plan initiatives:

- up to 12 annual meeting registrations (estimated value of ± 700 USD, for up to 1,5 hours per week workload)
- and up to 20 memberships (estimated value of ±250 USD; for up to 0.5 hours per week workload - note that this is an "in kind" offer; we will not

transfer any funds)

To learn more and apply, go to the following [[FORM](#)] (deadline November 25, 2022).

## ISBNPA 2023 last call for symposia

### ISBNPA 2023 is "shattering records":

- We have received 84 symposia submissions - that is **up 25%** of our previous maximum
- And 16 workshops submissions - also **25% more** than our previous record

All submissions are now being reviewed (3 independent reviewers per symposia/workshop).

Albeit several ISBNPA community members have offered to review in response to these record numbers, we predict that we will only be able to complete the task a few days later than planned. Guess how many days later... 25% 😊 .

The new symposia notification date is now December 13, 2022. We'd like to ask for your understanding.

We will do our best to notify the workshop submissions on the same date.

### You can still join us in ISBNPA 2023.
