CHILDREN & FAMILIES SIG ANNUAL MEETING

Preparations for the ISBNPA conference are in full swing. We are very excited to host our Children and Families SIG conference meeting. We hope that the meeting will allow us to understand more about the research that our members do, and to help us organize future events to help build collaborations.

We would like your help to plan the meeting. Please complete our short survey to help us plan the conference meeting and activities throughout the year that are beneficial for our members.

We look forward to meeting our SIG members at the conference!
Dr Taniya Nagpal and Dr Alissa Burnett (Co-chairs of the CAF SIG)
