ISBNPA2023: Register Now

Take advantage of our early bird fees by registering for the Annual Meeting now. Already, 800 of your fellow ISBNPA members have secured their spots. Don't miss out on this opportunity to join them.

You will have access to 1412 presentations at ISBNPA 2023:

1. Symposia - 60 (3 presentations each - 180)
2. Dare2Share - 9
3. Workshops - 11
4. Awards Orals - 34
5. Orals - 162
6. Short-orals - 270
7. Chaired Posters - 87
8. Poster (regular call) - 361
9. Posters (late-breaking) - 298

ISBNPA is a non-profit organization that strives to maintain its independence from sponsors who do not share our values. Consequently, we keep the level of sponsorship for our meetings low. To ensure accessibility to all, regardless of financial means, **ISBNPA subsidizes the attendance fees** for students and individuals with low to upper-middle incomes. This is necessary as the cost per participant at the conference exceeds their registration fees.

ISBNPA 2023 Satellite Meeting

The upcoming ISBNPA satellite meeting on implementation science in Amsterdam is bound to be an exciting event for researchers and practitioners alike.

Scheduled to take place on June 12 and 13, just before the main ISBNPA Annual Meeting, this meeting will provide attendees with a unique opportunity to delve into the latest research and best practices in the field of implementation science. With a focus on real-world applications of evidence-based interventions, this satellite meeting promises to be an engaging forum for discussion and collaboration among experts from around the globe.

Whether you are a seasoned researcher or a newcomer to the field, this meeting is sure to offer valuable insights and inspiration for your work.

Register for this excellent learning opportunity [[HERE](#)].
