NESI ISBNPA2023 Survey

NESI ISBNPA2023 Survey

Dear NESI members,

Throughout the year, the Network of ECRs and Students of ISBNPA (NESI) aim to host a number of activities focused on addressing the needs of students and ECRs in the society. We would appreciate if you could complete our evaluation about our activities over the past year. We always want to improve the activities we offer, so please let us know if you have any suggestions about what you would like to see in the future.

The evaluation should take 5-10 minutes to complete.

Many thanks,
The NESI team.
