Advancing Behavior Change Science

E-blast

XChange 2023 is LIVE!

Get ready for the highly anticipated XChange 2023, the annual online meeting hosted by ISBNPA! This exciting event will **kick off on October 12 at 1800 UTC** and will span over six hours. With a jam-packed schedule featuring over 50 captivating presentations and two engaging round-table discussions, this is an event you won't want to miss.

We are thrilled to extend an invitation to all members of ISBNPA, ensuring a potential attendance of over 1200 individuals. The XChange presents a remarkable **opportunity to reconnect with colleagues from the Uppsala ISBNPA2023** meeting and expand your professional network. Additionally, you'll have the chance to stay up-to-date with groundbreaking research in the fields of behavioral nutrition and physical activity.

All the **oral and on-demand session videos are readily available**, allowing you to watch them in advance and begin interacting with the presenters. In addition, you have the option to arrange small group meetings or reach out to any member of the ISBNPA community to start networking and maximize the opportunities provided by the XChange.

Participation in the XChange is completely free for all ISBNPA members. Simply sign up in the link below using your email for access to the web app version of the meeting and start networking right away (or click on the image).
