Advancing Behavior Change Science

E-blast

ISBNPA2024 in Omaha

Get ready for an unforgettable experience at ISBNPA2024!

With over 500 individual presentations, including 180 orals, 110 short-orals, 64 symposia talks, and 150 posters, there will be no shortage of valuable insights to gain.

Attend four inspiring keynote sessions and participate in the **Climate Action Debate on Behavioural nutrition and physical activity research in the Anthropocene. How can we contribute meaningful research to fighting the climate crisis and promoting planetary health?**

Don't miss out on workshops and dare2share sessions, where you can expand your knowledge and network with industry experts.

This is an event you won't want to miss!
