Apply to ISBNPA's Pioneers Program

The Pioneers program by ISBNPA, a seed funding initiative designed to support small, capacity-building studies, is open for applications from September 3rd until October 18th.

These studies can be presented at the upcoming ISBNPA2025 conference. Each recipient will be granted \$1500 to conduct their study and an additional \$1500 for travel expenses to attend the ISBNPA2025 conference. Furthermore, we provide free registration for the conference.

Click [[HERE](#)] to apply.

ISBNPA dinner at the Auckland Museum

We are currently in the process of planning our social program, and we have successfully reserved the Auckland Museum for the upcoming ISBNPA dinner. We're confident that you'll be amazed with what we are preparing for our social program.

Climate Action Green Space ConferenCation

(Conference+Vacation)

This is not a word, yet...

As you plan your attendance to ISBNPA2025, contemplate extending your stay to experience the splendor of New Zealand. Consider making this an all-in-one trip, avoiding additional air travel for your vacation next year.

Traveling to New Zealand is a significant event for many of us. Thus, why not optimize the opportunity by:

1. Participating in ISBNPA2025, where you can gain valuable knowledge and establish connections with top-tier researchers in the fields of behavioral nutrition and physical activity.
2. Exploring the remarkable sights and attractions that New Zealand has to offer.
